

ASTER / STUDIO LAUNCH

A calmer place to make things.

Aster Studio

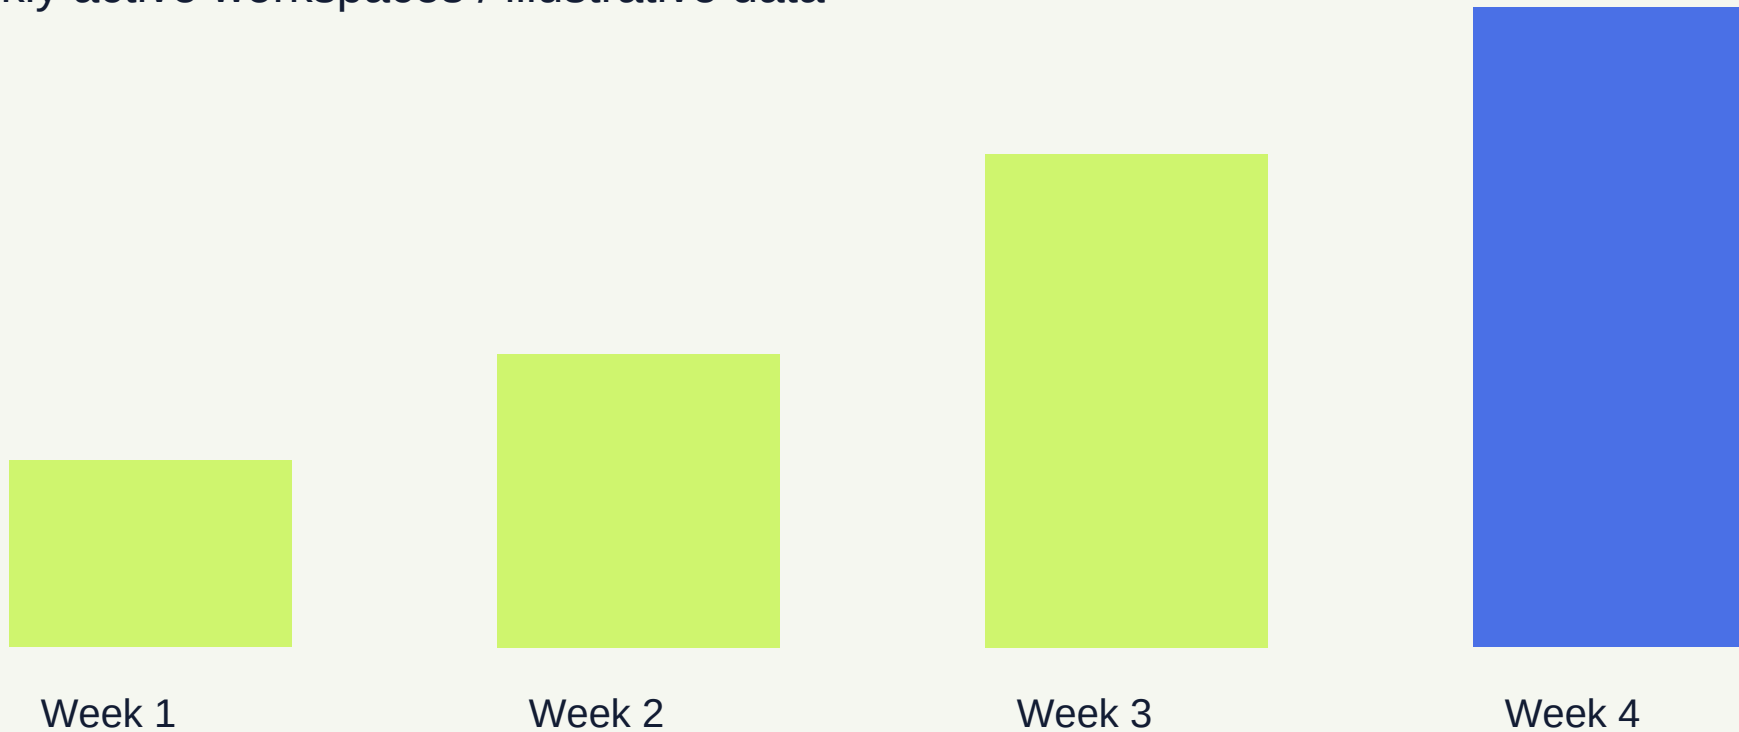

A workspace for independent creative teams.

Launch / October 29, 2026

Small teams are finding their flow.

Weekly active workspaces / illustrative data

ASTER / STUDIO LAUNCH

One plan, room to grow.

\$49

per workspace / month

Unlimited projects. Five collaborators. No hidden add-ons.

Original fictional sample. No real company or financial claims.

Privacy belongs in the foundation.

Export your work whenever you need it.

Project visibility is explicit.

Simple settings, clear ownership.

Three milestones. One launch.

- 01 Private beta - completed
- 02 Team spaces - in progress
- 03 Public release - next

Next: make space for good work.

Invite a team. Start one project. Share a first draft.

A smaller toolchain. A clearer next step.

A new launch checklist.

Invite beta teams

Publish the migration guide

Open the community feedback board

ASTER / STUDIO LAUNCH

Good work starts with a little space.

Thank you.

ASTER STUDIO / FICTIONAL DEMO

Original fictional sample. No real company or financial claims.

Workshop notes

Use this slide to capture feedback from the team.

This intentionally duplicated page needs a human match check.
