

ASTER / STUDIO LAUNCH

A calmer place to make things.

Aster Studio

A workspace for independent creative teams.

Launch / October 15, 2026

Three milestones. One launch.

- 01 Private beta - completed
- 02 Team spaces - in progress
- 03 Public release - next

ASTER / STUDIO LAUNCH

One plan, room to grow.

\$39

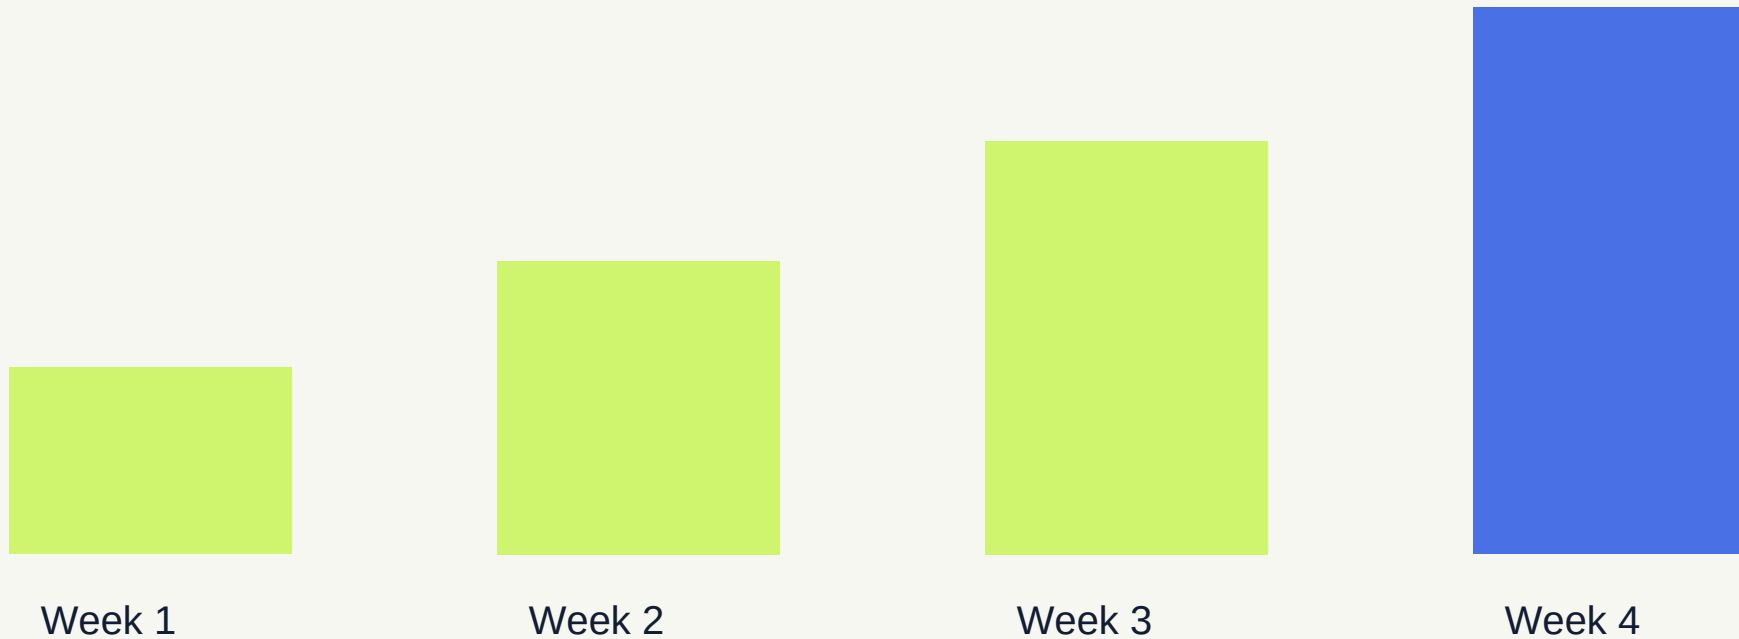

per workspace / month

Unlimited projects. Five collaborators. No hidden add-ons.

Original fictional sample. No real company or financial claims.

Small teams are finding their flow.

Weekly active workspaces / illustrative data

Privacy belongs in the foundation.

Export your work whenever you need it.

Project visibility is explicit.

Simple settings, clear ownership.

Research questions for the pilot.

Which rituals help a distributed team stay aligned?

What gets lost between the draft and the decision?

Next: make space for good work.

Invite a team. Start one project. Share a first draft.

A smaller toolchain. A clearer next step.

ASTER / STUDIO LAUNCH

Good work starts with a little space.

Thank you.
